

**Revista Universitaria de Psicoanálisis.
Universidad de Buenos Aires.**

ISSN 1515-3894 The Revista Universitaria de Psicoanálisis is an international psychoanalytical journal which is published yearly.

The journal is peer reviewed by outsider referees and welcomes contributions that addresses the interests and concerns of scholars and researchers of psychoanalysis from different universities. It has an Editorial Comitee whose members are researchers from the Psychology College. Its national and foreign referees are qualified practitioners with a broad range of contemporary clinical and theoretical concepts of psychoanalysis that means a worthless scientific value. It is also indexed in LILACS.
